2009 ADVERTISING RATES

Effective with January Issue

Started in July 1996, *Advanced Fuel Cell Technology (FCT)* is a critical part of your advertising strategy to connect to potential customers and business partners within the fuel cell industry. Highly targeted, this monthly paid-subscription publication features industry changes and advances; fuel cell patents; new products; marketing news; R&D activities; upcoming meetings; book reviews; electric vehicles news; meeting reports; and technical articles. **FCT** is the oldest commercial fuel cell publication in the U.S.
